## OUR SELECTION FROM THE MONTEBERG VINEYARD

Meet Debbie Swift, the heart behind our cakes. Nestled on the Kemmelberg not far from Ieper, Deb's journey into baking for the public began quite by accident. What started as a simple tea offering for her husband's museum in 2018 quickly blossomed into a beloved café: Deb's Tea Garden. She is known locally as a lovely optimistic British lady, her early-morning baking rituals and traditional British recipes.

Here, every cup poured and every bite shared does more than refresh. It helps us keep memories alive. Your visit supports the Commonwealth War Graves Foundation (CWGF) in telling the stories of courage and sacrifice, and in creating educational and community projects that span the globe.

If you feel inspired to do more, consider joining us as a CWGF Member or making a donation. Together, we can ensure these voices are never lost to time.
